

18th April 2019

Dear Parents and students,

Welcome back!

I do hope everyone of you has had a great two week break away from school and you are ready and rejuvenated for the last term of this academic year which will be the busiest! We will be beginning with intense practice for the upcoming school play from the first day itself. The new schedule that includes a zero period to accommodate the rehearsal time has been attached. We will be commencing on the sale of the tickets in another month's time. But I do hope you are looking forward to the event with as much excitement as we are!

IGCSE/A Level and Checkpoint Examinations

Worldwide, over 200,000 candidates in over 100 countries will be sitting for their Cambridge examinations in May/June. Our senior most students will be amongst them too. A grand graduation ceremony is also being planned for them which will be held at the end of June. We wish them all the best with their preparations as well as their examinations. The exam timetables has already been sent out to all the candidates.

Parents-Teachers

Day

Teachers look forward to meeting with you next week on Friday to discuss about academic progress and growth of your child. If parents need to reschedule their meeting because of prior engagements, please call or email the school office.

Lost and Found

We have a plethora of your cast-off T-Shirts, pants, Tiffin boxes etc. These will be on display during Parents Teachers Day for your review. Please look out for your child's lost belongings.

Basketball Clinic

As the enrolment for Basketball ECA is very poor, the PE department has planned to organize a free clinic to promote the game among our students. This will be held on Parents-Teachers Day. Please register your interest with your respective PE Teachers when the school starts.

Tentative program.

Health and safety alert

Lately we have had a number of primary children arriving very early in school. This is a real worry from a health and safety perspective as there is no supervision before 7:45am as teachers are preparing for the day of learning and attending meetings. Students may come in as early as 7:15 am but are advised to be near the MPH area.

The same is for the end of the day. Children need to be picked up from the school grounds by 1:50pm when the bell rings or booked for extracurricular activities after school that starts at 2:30 pm. Once this gets over, the students must be picked up from the car park area latest by 3:45 pm.

That is all for today.
