

Dear Ladies and Gentlemen of the Tanarata Community Club,

We are well on the way into the third week of the new school year and I hope things are settling down enough for our Tanarata Community Club (TCC) members to take a look and give a little attention toward participating in the Tanarata Community Club (TCC) activities.

To all new parents, a BIG welcome to our Tanarata Community! I will elaborate briefly on the TCC below. To fellow TCC Members a warm cheery HELLO! Time to dust off those post holiday blues and return to the school runs, homework and class requests/events!

All parents/guardians of Tanarata students are automatically members of the TCC, in addition, as the Club name suggests, we welcome all persons, who contribute in any positive manner, small or big, toward the betterment of the school as a friend of the Tanarata Community.

An African Proverb say that "***it takes a village to raise a child***" as such we, the TCC believe, that our Community of parents/guardians and friends can play an important role to reinforce what is learnt in the classrooms of Tanarata International Schools. We organize activities and events amongst members to foster harmony, make connections, get volunteers for school events and encourage communication between us. Some of our activities in the past academic year include Coffee Morning, the Parent Assisted Reading (PAR) Program, Connecting Car pools and of course the first ever TCC School-end Games, BBQ & Dance 2011, which was a big fun event. Activities planned for the coming year include the Reading Log, the School-end Text Book sale/exchange and of course the second School-end Games, BBQ & Dance 2012 etc.

The time of the year has come for the TCC AGM. The TCC AGM is when we, TCC members elect the new TCC Committee who will work toward the coming year TCC activities. The TCC AGM is scheduled for

the **8<sup>th</sup> of October 2011**. It is a time for all our members, all parents/guardians and friends of the TCC to step up and elect your new TCC Committee members or be part of it. Nomination forms will be available from the School's office.

I strongly urge all TCC members to clear your **Saturday** morning on the **8<sup>th</sup> of October 2011** at **9.30am**, to attend and participate in the **TCC AGM**. In doing so, you are taking a step toward building a meaningful relationship with your child's school and your child education experience. You will become part of the Tanarata Village that helps to raise an engaging, prepared and inspired Tanaratian.

Sincerely,

Sulfa M S Sahib
