

29 March 2023

Dear Parents and students,

We are almost at the tail end of our very busy second term with just two more days left to close of term. Term III will be equally busy and full of activities, culminating with **our Musical happening on 8 July, Saturday**. I do hope you have already cleared your calendars for this day! We will be sending more details on this very soon.

Term II Examinations & Parents'-Teachers' Day

Parent-Teacher Conferences will be held on **Thursday, April 20th, from 8.00 am to 12.30 pm** to discuss your child's performance and progress. Parents are allowed ten minute intervals. If you need more time to discuss your child's performance please make an alternate arrangement with the particular teacher by calling the office. Appointment sheets will be sent closer to the PTM date.

We ask that all parents continue to support their children by monitoring homework, talking to them about their daily class experiences, and continuing communication with the teachers.

This PTM day, we have arranged for workshops, talks as well as primary school swimming competition, for separate year groups. Emails and teamie messages have been sent out accordingly. I do hope all the students involved will avail of this opportunity and take part in the planned events.

Checkpoints/Language IGCSE Orals Examinations

We have already sent out the timetable schedule of the above examinations. A few of the oral Art & Design exams are over the break. Please be mindful of the time that you are supposed to report to the exam hall for your and be in complete school uniform. You may not be allowed to write your exams, if you are late without a valid reason or not in school uniform.

We are to return for our Term III on 17 April, but then 4 days later we close again for our Raya holidays as the exam schedule needs to be followed. I do hope parents will understand and students will return to school after the Easter break as planned in the academic Calendar.

Below are the dates for the activities this term
