Dear Parents and Students,

Term I has been busy for all of us with various back to back activities that has kept all the students occupied. We have had Upper Secondary Debate, Tug of War, our Halloween & STEM carnival, and lastly TanarataMUN that was held last weekend in our campus. A total of 185 student delegates attended from various other International school and colleges. Our keynote speaker wrote an article on our MUN. Please see the link below.

For the uninitiated, Model United Nations is a simulation of the United Nations, where students from all over come together to discuss and debate global issues. Our team of students did an excellent job debating and they won several awards for their participation. Please follow us on our various social medias for regular updates.

The last event, as we move towards our midterm break is our Swimming Gala. Mid-Term Break as per our Academic Calendar is from 4<sup>th</sup> till 13<sup>th</sup> November. The Admin office will remain open during the break from 9 am till 3pm till 9 November. We will be closed on 10<sup>th</sup> and 13<sup>th</sup> for Deepavali.

### **Tanarata's Swimming Gala**

Our Swimming Gala is for students from Years 3 to 11. The gala will be held tomorrow, 3<sup>rd</sup> Nov at the Bukit Jalil Aquatic Centre from 8:30am to 1:00pm. An e-invite and schedule has already been sent to your email address. Please check your inbox and spam folder. The swimming competition for students in Year 1 and 2 will be held in school in Term 3. We will notify you before the date, so that you may come to cheer your children. Year 1s and 2s begin their midterm break tomorrow effectively.

With the help of the TCC, we have arranged for food for all of our students, both participants and spectators. We weren't allowed to set up food stalls, at the venue unlike in the past when the TCC does food sales for parents. Those who come in to cheer may buy food from the cafeteria at Bukit Jalil. We ask that your child's transport operator send them directly to the venue. This will help to reduce traffic congestion and ensure that all students arrive on time.

We encourage all students to participate in the gala, regardless of their swimming ability. It is a great opportunity to have fun, be active, and show off their skills.

Here are some important things to remember for tomorrow;

- All students must wear their school swimming costume when swimming.
- Students should bring a towel, sunscreen, and a hat.
- Students should arrive at the venue at least 30 minutes before their first race.
- Parents are welcome to attend the gala and cheer on their children.

We look forward to seeing you there!

Thank you for your continued support of our school. We look forward to a great year!
