

Dear Parents and Students,

As we approach the end of Term I, we are excited to share important updates and details about upcoming events.

### **End-of-Term I Exams**

Please keep an eye on your email and Google Classroom for the detailed exam timetable. This will provide you with specific dates, times, and subjects for your child's exams.

A friendly reminder: As previously communicated via email, we have restructured assessments for Primary students (Years 1-5) to reduce stress. Only core subjects will be tested for year 4s and 5s in the format of a full exam. This is the first year of implementation, and we are confident it will benefit both students and parents.

### **Secondary Music Fest**

Our talented Secondary students, led by the Student Council, are organizing a Music Fest tomorrow in the school's MPH. The event will run from 5 pm to 9 pm. A few teachers will be present to supervise. Please arrange to pick up your child by 9 pm.

### **New Entrance Construction Update**

The construction of the new entrance along the SILK Highway is progressing, though there have been delays due to unforeseen circumstances, including recent weather conditions. We anticipate completion by the end of this month.

Once operational, the main access to the campus will be through the tunnel leading towards Puchong/LLM. This new route offers a safer and more convenient entry point. We will inform you of the exact date of the switch as soon as we have confirmed information.

## End-of-Term Activities

As always after the Term I Examinations we will be organising various activities to enhance student learning and development:

- **Inter-House Games:** A competitive event promoting sportsmanship, teamwork, and healthy competition. (Badminton and Basketball)
- **STEAM Fair:** A platform for showcasing innovation and creativity in Science, Technology, Engineering, Arts, and Mathematics. Students would have received Google Form links to register for the Art and Fashion Show components sent out earlier.
- **Christmas Assembly and Parents-Teacher Meeting:** A festive celebration featuring music, dance, and performances by our talented students. This will be combined with our Term I Parent-Teacher Meeting on December 13, 2024.

We encourage you to support your child's participation in these activities. They offer valuable opportunities for personal growth and skill development.

*Below are the dates for the activities this term*
