

Dear Parents and students,

As we approach the end of a busy and productive Term II, I'd like to share some highlights and upcoming events. As you know, I've opted for short, regular updates on school activities rather than lengthy emails, keeping you informed rather than the longer ones I sent you earlier.

Earth Day Celebrations (March 26th):

We are particularly excited about our Earth Day celebrations on March 26th. Our students have been working diligently on a variety of presentations and activities, all under the theme "Global Minds, Green Hearts!" Here's a glimpse of what to expect:

- **Performances:** Duets, dance performances (including Michael Jackson's "Earth Song"), and pantomimes focusing on recycling and conservation.
- **Interactive Activities:** Environment Literacy quizzes with rewards, "Tag the Tree" campus exploration, and hands-on zero-waste textile recovery.
- **Presentations:** Year group presentations on composting, beach clean-ups (planned for Term 3), water conservation, and more.
- **Practical Initiatives:** Upcycling plastic caps into bins, and ongoing composting drives.

End of Term Activities:

- **20th March:** Term II Examinations conclude.
- **25th March:** The FedEx Challenge for Year 9 and 10 students.
- **25th-27th March:** Inter-House Games (Football and Table Tennis).
- **28th March:**
 - o Parent-Teacher Meetings (PTMs).
 - o EduFair for Secondary Students and Parents in the MPH
 - o Chess Inter-House Games.

Stay Connected:

For more frequent updates and a visual glimpse into our school life, please follow us on our social media channels. We regularly post photos and snippets of our students' activities and achievements.

Open Communication:

As always, we value open communication. If you have any questions or concerns, please don't hesitate to get in touch with us.

We look forward to seeing you at the PTMs and EduFair, and we hope you enjoy the Earth Day celebrations.

Please find the draft of our School Calendar for AY 2025-26 in the link below.
