

Dear Students, Parents, and Guardians,

As the leaves gently sway outside our windows here in the campus, we are delighted to welcome all our students back to school for Term III of the Academic Year 2024-25! We hope you have had a great Raya break - restful and rejuvenating, and are now ready to embrace the final leg of this academic year with renewed energy and enthusiasm.

Checkpoints and IGCSE Examinations

This term holds particular significance for several of our cohorts. Our Year 9 students will be starting the term with their Checkpoint Examinations, a crucial step in their academic journey. We encourage them to approach these assessments with confidence, knowing that their hard work throughout the year will stand them in good stead.

For our students in Years 9, 10, and 11, Term III marks the commencement of their IGCSE examination period. This is a significant milestone, and we commend their dedication and perseverance in preparing for these important assessments. We have full faith in their abilities and will continue to provide them with all the necessary support during this period. We have just sent the exam timetables to the concerned year groups.

Best Wishes to the Graduating Students

A special note of best wishes goes out to our graduating Year 11 students. This is their final term with us, and as they prepare to embark on diverse and exciting educational journeys beyond our school, we want to express our immense pride in their achievements. We sincerely hope that their time at Tanarata has provided them with a strong foundation and the essential skills to navigate the challenges and opportunities that lie ahead. We wish them the very best in all their future endeavours and look forward to hearing about their successes.

Term III and other details

While the examination period will be a focus for our senior students, Term III promises to be just as vibrant and engaging for our lower cohorts. We have planned a range of fun and interactive activities designed to foster learning, creativity, and camaraderie. We believe in providing a well-rounded educational experience, and these activities will ensure a stimulating and enjoyable term for all. This term will end with an exciting talent competition for both primary and secondary students – **Tanarata's Got Talent!**

To help you stay organized and informed about the term's events, we encourage you to access the Term III calendar, which can be found here:

<https://www.tanarata.net/school-life/academic-activities-calendar/>.

Term III ECA

Please find the link for registering for Extra Curricular Activities (ECAs) for Term III. All ECA's will begin on 21st April and end on 13th June.

[TiS ECA - Term III](#)

Two new ECAS are being introduced this term.

- We have found a new trainer for **Zumba** and it is being re-introduced! Some parents had requested for this – we do hope students will sign up with enthusiasm.
- **Tanarata Spark Club** – This is a community service program to inculcate empathy and for those who would actively like to make a difference this world.

We are looking forward to a productive and fulfilling Term III, filled with academic growth, exciting activities, and memorable moments. Please do not hesitate to reach out to the school if you have any questions or require any support.

Below are the dates for the activities this term

Calendar

Dates to Remember !

14 th April	Term III Commences
15 th to 17 th April	Checkpoint Exams (Year 9s) Math, Mandarin & Malay Trials
