

**15<sup>th</sup> May 2025**

Dear Parents, Students and Guardians,

Greetings from Tanarata!

We have a few important and exciting events coming up at Tanarata International Schools that we would like to share with you.

**IGCSE Examinations for Year 11 Students**

Our Year 11 students are currently undertaking their IGCSE examinations, which mark their final school leaving examinations with us. As they prepare to embark on diverse paths of study and future endeavours, we extend our very best wishes to each and every one of them for success in their examinations and beyond.

**Year 11 Graduation Ceremony**

To formally celebrate the achievements of our graduating Year 11 students, a special graduation ceremony is being arranged on **Thursday, 27 June** at **Le Meridien, Putrajaya**. Detailed invitations have already been sent to all graduands and their parents. We look forward to celebrating this significant milestone with you.

**Teachers' Day Celebration**

While Malaysia celebrates Teachers' Day on 16 May, we have thoughtfully scheduled our school's celebratory assembly for **Thursday, 22 May**. This slight delay allows us to fully include and acknowledge our dedicated teachers amidst the ongoing IGCSE examinations. During this assembly, our Year 9 students will also be hosting a **Pop-Up Marketplace** in front of the school building, around the roundabout. They will be showcasing and selling items they have created as part of their Project Based Learning lessons. This initiative will also provide a practical application of the business skills they have acquired in their Business Studies lessons. We warmly encourage you to come and support our Year 9 students in this exciting endeavour.

### **Language Day Assembly**

At Tanarata International Schools, we believe in fostering learning experiences that extend beyond the traditional classroom environment. Incorporating hands-on activities and diverse forms of presentations is a key aspect of our educational approach.

To celebrate the importance and beauty of languages, we will be holding a special assembly to mark **Language Day on Thursday, 30 May**. A variety of presentations are being organised to commemorate this occasion. We will be sharing more specific details about the program with you in due course.

### **Admissions Open for Academic Year 2025-26 & Open Day**

We are pleased to announce that admissions for the next academic year, 2025-26, are now open, with spaces available across various year groups, particularly in our Year 1 & Year 2 classes. If you know of any friends or colleagues who are seeking a suitable and nurturing educational environment for their children, we would be grateful if you would recommend Tanarata International Schools to them. We currently have several spaces available in our junior classes.

To provide prospective families with an opportunity to experience our school firsthand, we are also organizing an **Open Day on Saturday, 14 June** at the school premises. This will be a chance to meet our teachers, explore our facilities, and learn more about our curriculum and ethos.

We look forward to a wonderful and productive Term III.

Thank you.

**Barnali Guha**
