

Dear Students, Parents, and Guardians,

It is with immense pride that I am writing to you today at this pivotal point in our academic year. This newsletter showcases the extraordinary ambition, intellect, and community spirit that defines Tanarata International Schools. From hosting a major diplomatic conference to embracing the future of technology and strengthening our parent body, the engagement across our campus is truly inspiring.

I encourage you to take note of the crucial upcoming events, especially our exciting **Heritage Fiesta**, and to partner with us in making the remainder of this term highly successful and enriching for all our students.

📌 **Diplomacy and Leadership: Upcoming Model UN Workshop**

Our **third Student-Led Model United Nations (MUN) Workshop** will take place from **October 3rd to 5th**. Our campus will be a hub of international affairs as approximately 130 student delegates from various schools in the Klang Valley come together to discuss and debate pressing geopolitical topics. The level of research, articulate communication, and diplomatic skill that will be displayed by all participants is something we truly look forward to.

A heartfelt thank you goes to the **student secretariat and organising committee** whose dedication and leadership have made this event possible. Their commitment is an inspiring example of what Tanarata students can achieve.

📌 **Embracing the Future: AI and Coding Workshops**

To ensure our community remains at the forefront of technological change, we are hosting this workshop next week:

This event will be held on **11th October 2025, from 8:00 AM to 1:30 PM**. The standard fee for 1 student is RM 45, but we offer a student + parent discount for only RM 70. With this fee comes access to 1 out of 3 different workshops (each tailored to different age groups - Year 5 to Year 8, Year 9 to year 11, and a separate workshop for adults), over 15 booths filled with interactive activities for all participants to explore, AI talks by expert guest speakers, and even a lucky draw with fantastic prizes!

📌 Registration details are as below—please sign up soon as spaces are limited.

This event is being led by our Business Studies Students of Year 11. We would very much appreciate your support to make this project a success.

📌 **Community Partnership: Tanarata Community Club (TCC)**

It was wonderful to see so many parents at our **first TCC Coffee Morning** of the academic year on **October 1st**. The turnout was fantastic, and the enthusiasm was even greater!

The **Tanarata Community Club (TCC)** is a vital platform for parents to collaborate with the school in shaping enriching opportunities for our students. Its constitution and mission are outlined here: [TCC Constitution](#).

The TCC is actively seeking volunteers to support with **fundraising, event decorations, and community projects**. If you would like to be involved, please contact the school administration office.

📌 **Term I Grand Celebration: The Heritage Fiesta – 8 November 2025**

We are delighted to announce our **major Term I event** – the annual school carnival, this year proudly themed as the **Heritage Fiesta**.

📌 **Date:** Saturday, November 8, 2025

📌 **Venue:** Tanarata International Schools Campus

This special event will celebrate **“Learning Our Culture and Heritage.”** Each class from Year 5 onwards has been assigned a country to research and represent. Students will showcase their creativity and collaboration through **decorations, performances, cuisine, traditional attire, and interactive cultural activities**.

The Heritage Fiesta is more than just a carnival—it is a **living classroom** where our community will explore global diversity, appreciate traditions, and celebrate unity in learning. We will be sending you more details on this soon.

We warmly invite all parents, families, and friends to join us for a **day of culture, food, music, and fun**. Stay tuned to our social media platforms for updates and sneak peeks into the preparations!
