

Dear Parents and Guardians,

Welcome back to Term II; we are already at the end of our first week, with a few students yet to return!

We hope you had a refreshing break. Term II is officially underway, and it promises to be an action-packed season for our students. Please find several important updates regarding our upcoming events, calendar adjustments, and examination policies below.

Sports Day AY 2025-26: A Special Saturday Event

Our much-anticipated annual Sports Day is fast approaching! Please take note of the change in venue and timing for this year:

- **Date:** Saturday, 14 February 2026
- **Time:** Morning Session
- **Venue:** MPAJ Stadium (Pandan Indah)

As Cheras Stadium was unavailable, we have secured the MPAJ Stadium to ensure our students have a professional-grade facility for their events. We are aware that this date falls just before the Chinese New Year break; however, we hope for a high level of student participation to make this community event a success. This year, due to time constraint, we will not be having our Gymrama for primary students as well as Cheerleading performances.

Instead, the opening ceremony will feature an aerobic style flashmob with the entire school participating. Let's give our athletes the cheers they deserve!

We will send you an official invitation for this soon. No new T-Shirts are being designed for this year's event. We will use last year's PE Shirt. If you require a fresh one, please purchase one at the admin office. (We have sent you a separate email on this).

Revised Term II Calendar (CNY & Hari Raya)

The fasting month is set to begin during the Chinese New Year break. To accommodate the upcoming festivities and public holidays, we have slightly modified the Term II calendar.

Hari Raya Break:

- **Holidays Begin:** Thursday, 19th March, instead of 18th.
- **Holidays End:** Tuesday, 24th March (We anticipate that the govt might declare 23 and 24 March as Holidays)
- **School Resumes:** Wednesday, 25th March 2026

Post-Raya Schedule: Upon returning, students will move straight into their assessments and house activities:

- **25th – 26th March:** Term Examinations (2 days)
- **27th, 30th, & 31th March:** Interhouse Games
- **2nd April :** Raya Assembly

Examination & Resit Policy

To ensure fairness and academic integrity, we would like to clarify the school's policy regarding students who are unable to sit for exams during the scheduled period.

General Absence (Non-Emergency):

1. **No Resit:** There will be no resit opportunities for general absences.
2. **Grading:** A grade will be awarded based on continuous internal assessments. Due to the nature of this weightage, the **maximum grade achievable is a B.**

Medical or Family Emergencies:

3. **Resit Permission:** A resit may be granted for students with a valid Medical Certificate (MC) or proven family emergency.

4. **New Assessment:** To maintain integrity, the subject teacher will set a different paper for the resit.

5. **Deadline:** All resits must be completed **at least one week** before the closing of the term.

Cafeteria Matters: Cash and Credit Policy

We would like to share a gentle but important request from our cafeteria operator. To ensure the smooth running of his services, we must remind parents that **food cannot be provided on credit.**

Last term, the operator experienced a shortfall of nearly **RM 2,000** in unpaid meals. This is unsustainable and unfair to the operator who works hard to provide for our children. To avoid any disappointment at mealtimes, please ensure your child has sufficient funds by:

- **Providing Cash:** Ensuring they have enough daily for their meals.
- **Account Transfers:** Top up your child's cafeteria account in advance.

Moving forward, students without funds will not be able to take food on credit. We thank you for your understanding and cooperation in supporting our local vendors.

We look forward to a productive and energetic term with your children. Thank you for your continued support of our school community.

Below are the dates for the activities this term
