

TANARATA INTERNATIONAL SCHOOLS NEWS CIRCULATIONS

Dear Parents and Guardians,

What a wonderful stretch of the school year we have had so far...And now, May and June are shaping up to be two of our busiest and most exciting months, filled with celebrations, student-led initiatives, and outdoor learning experiences across all year groups. We are grateful, as always, for your continued support and partnership.

Mark your calendars for the **22nd of May**, when three special events will be taking place on campus during the morning assembly:

☑ **Teacher's Day**

This is usually celebrated on 16th May in Malaysia; we delayed this by a week due to the ongoing IGCSE and Checkpoint Exams. This is a heartfelt occasion to celebrate the dedication and passion of our wonderful teaching staff, who inspire our students each and every day.

☑ **Cyber Security Awareness Talk**

A timely and important session to help students navigate the digital world with confidence, awareness, and responsibility. Arranged in collaboration with the TCC for our secondary students.

☐ **Year 9 Pop-Up Market**

Our Year 9 entrepreneurs will be opening their very own marketplace, showcasing creativity, teamwork, and business know-how. We warmly encourage families to come along and show your support!

FIELD TRIPS & EXPEDITIONS

Over the coming weeks, students across all year groups will be heading out on a range of exciting excursions designed to build independence, resilience, collaboration, and cultural awareness.

- ☑ 28–30 May | Year 8 & 9 | Ipoh (Yr 8) & Penang (Yr 9)

CAMPUS SECURITY — A KIND REMINDER

We truly value having our parent community on campus, and we want to ensure every visit is a smooth and safe one. With that in mind, we kindly ask that parents and guardians refrain from walking through the academic or classroom areas during school hours.

This helps us in two important ways:

1. Keeping learning uninterrupted — Movement near classrooms can break student focus during lessons, and we want to protect that precious instructional time.
2. Maintaining a secure environment — Monitoring access to teaching blocks allows our team to ensure that only authorised staff and students are present in those areas at all times.

If you are visiting the school, please remain in the foyer, waiting area, or cafeteria area unless accompanied by a member of staff. For scheduled meetings or appointments, kindly check in at the admin office and a staff member will be happy to assist you.

Thank you so much for your understanding — your cooperation makes a real difference. As this academic year ends, we look forward to sharing the last two truly memorable months with your children.

As always, please do not hesitate to reach out if you have any questions.

Warm regards,

Barnali Guha
