

Dear Parents, Students and Guardians,

Warm greetings from Tanarata International Schools.

As we settle into the new academic year, I am delighted to share some wonderful news about the achievements of our students, together with a few important updates for the weeks ahead.

Cambridge IGCSE June 2026 Results

We are very pleased with the performance of our students in the **Cambridge IGCSE June 2026 examinations**.

These results represent the culmination of many months of hard work, perseverance and commitment from our students. We would also like to acknowledge the dedication of our teachers and the invaluable support provided by parents throughout their children's IGCSE journey.

Our overall grade distribution for the June 2026 examination session is as follows:

A*-A	B	C	D	E
62.4%	23.8%	9.9%	2%	1.3%

We congratulate all our IGCSE students on their achievements. While examination results are important milestones, we continue to remind our students that success is also measured by the resilience, confidence, and determination they develop along the way.

We wish our graduating students every success as they move on to the next stage of their education.

Congratulations on this outstanding achievement!

Public Holiday – Monday, 31 August & Tuesday, 1 September

<https://www.thestar.com.my/news/nation/2026/08/24/selangor-declares-sept-1-public-holiday-for-state-over-sukma-success>

The Selangor State Government has declared **Tuesday, 1 September 2026** a special public holiday in recognition of Selangor's outstanding achievement at SUKMA 2026.

As a result, the school will be closed on both **Monday, 31 August and Tuesday, 1 September**, giving our students and families an extended weekend.

Classes will resume as usual on **Wednesday, 2 September 2026**.

We hope everyone enjoys the long weekend and returns refreshed and ready for the weeks ahead.

Extra-Curricular Activities Begin – 7 September

Our **Extra-Curricular Activities (ECA)** programme will commence on **Monday, 7 September 2026**.

A separate newsletter containing details of the ECA programme has already been sent to parents. We encourage our students to make the most of these opportunities.

ECAs are an important part of school life at Tanarata, allowing students to explore interests beyond the classroom, develop new skills, build friendships and discover talents they may not otherwise have the opportunity to pursue.

Haze and Air Quality

As many of you may have noticed, **the haze has unfortunately returned to parts of Malaysia**, with several areas, including parts of Selangor and the Klang Valley, recording unhealthy Air Pollutant Index (API) levels in recent days.

The school will continue to **monitor the API closely and adjust or limit outdoor activities where necessary**. We also encourage parents to ensure that children stay well hydrated and to be particularly mindful of those who may be sensitive to poor air quality. Where conditions require it, PE lessons and other outdoor activities will be moved indoors.

We hope that conditions improve soon and will continue to keep the wellbeing of our students at the forefront of any decisions regarding outdoor activities.

Our Updated Tanarata Website

Finally, we have been working on updating our school website to better showcase the many achievements and successes of our students and the wider Tanarata community.

The website now includes more of our recent academic achievements, student successes and activities taking place across the school.

When you have a little time, we invite you to visit www.tanarata.net and have a look at what has been happening at Tanarata.

As we begin our **20th academic year**, there is much for us to celebrate and much more to look forward to. Thank you, as always, for your continued trust, encouragement, and support of the school.

Below are the dates for the activities this term
