

## BUS SERVICE

### Registered Bus Transporters & Service Areas

*Last updated: 1 September 2022*

Tanarata International Schools works with a number of independent, registered bus transporters who provide school bus services covering the areas listed below. Parents wishing to arrange bus transport for their child should contact the relevant transporter directly using the details provided.

| Bus Transporter                                                                 | Contact Number                                | Area Covered                                                                                                                                                                                                                                                                                                                                                                                             |

*Note: School bus transporters are independent operators and are not employees of Tanarata International Schools. Parents are advised to confirm routes, timings, and fees directly with the transporter before making arrangements.*

This list is reviewed periodically. Parents should contact the school office if a listed transporter is unreachable or if a route has changed.
